
TOC Werribee Branch Reaccreditation

Officials play a vital role in the success of the Technical Officials Commission Werribee Branch (TOC-WB). Being an official requires commitment and dedication, as well as setting a positive example for others.

Due to the low attendance at the TOC-WB education session, the TOC-WB have made the choice to develop a policy for the re accreditation of all the TOC-WB Officials.

Panel officials (Referee's) are excluding from this reaccreditation, while active on either MUVJBL or higher Refereeing Panels, as it is understood that they are required to undertake a Basketball Victoria re accreditation process to remain on these panels.

As part of the TOC-WB there is a mandatory requirement to complete an annual theory exam.

The other components of the reaccreditation for TOC-WB officials, members must attend a range of activities, as determined by the Werribee Basketball Association Advisor, which has been agreed to by the TOC-WB.

Each part of the reaccreditation you will earn points, which contribute to an overall total that will reaccredit you for the following year.

POINTS SYSTEM

Attendance and participation in a TOC-WB organised education and training events will be recorded and automatically added to your reaccreditation records.

It is compulsory that a reaccredited official must pass the theory exam in **every** year, for example to be reaccredited for 2019, a referee must pass the theory exam in 2019.

How do I get reaccreditation points?

Points will be received by, completion of

- Mandatory Theory exam as determined by the TOC-WB Advisor (this will be set for each grade (C, B and A) and Scoretable/ Statisticians - **2 points**.
- Attendance at one information Session, conducted by a Referee Coach – **1 point**
- Attendance at one TOC-WB Educators sessions (conducted by advisor) – **2 points**
- Successful completed of accreditation course – **3 points**

TOC Werribee Branch Reaccreditation

QUESTIONS

How many points do I need each year to be reaccredited?

Referee's Require a total of 6 points will be required for you reaccredited, these will be acclimated over a 12-month period (Jan to Dec each year).

Scoretable/ Statisticians Require a total of 3 points will be required for you reaccredited, these will be acclimated over a 12-month period (Jan to Dec each year).

What happens if I don't get enough points for reaccredited?

If not, enough points are received in a 12-month period than the TOC-WB, with advice from the TOC-WB Advisor, may down grade your qualifications.

What happens if can not attend?

The same process applies as for a player – Submit copy of a medical certificate, or if you are on a family holiday then copy of the itinerary.

How do I get reaccredited, if I get downgraded?

An official that is down grade will be required to attend the next course for the grade that they were, eg if you were a B Grade and you were down Graded to C grade.

You would be invited to attend the next B Grade course to upskill your knowledge to an appropriate level, on successful completion of the B grade school your credentials would be reinstated to B Garde.

Please note:

Any down grade occurring will also mean that your reimbursement will be at the grade you have been downgraded to will apply.
