# WELCOME

**PAUL MALEY**  
EXECUTIVE  
GENERAL MANAGER  
BASKETBALL  
Basketball Australia

On behalf of Basketball Australia, it is my pleasure to welcome you to the 2021 Australian Under-18 Championships in Werribee, Victoria.

We are back! After the COVID-19 pandemic led to a hiatus of live sporting events around the world, including the cancellation of the 2020 Under-18 and Kevin Coombs Cup event, we are excited to welcome the country's best junior basketballers back to compete for the chance to be crowned the 2021 Australian Champions. Unfortunately, the challenges of the COVID-19 pandemic continue to exact a toll with the Kevin Coombs Cup unable to take place this year as a part of these Championships.

It was a priority for Basketball Australia and the sport in general that the Australian Junior Championships were able to be contested this year should the climate allow, as these events form an important part of the Australian basketball high performance pathway.

Many senior national team representatives have forged success playing careers from these Championships, including the likes of Australian Boomers and Chemist Warehouse Opals Cayla George, Chris Goulding, Joe Ingles and Jenna O'Hea.

2021 is an important year for our national teams, with the upcoming Tokyo 2020 Olympics; the Boomers and Opals are also competing in the 2021 FIBA Asia Cup; and our junior national teams are set to feature in the FIBA Under-19 World Championships.

With a total of 106 games scheduled to be played, showcasing 26 representative teams from around the country, basketball fans and patrons are guaranteed a feast of action over the eight days of competition.

On behalf of Basketball Australia, I would also like to extend our gratitude to the Executive Committee and staff at Wyndham Basketball for hosting the 2021 championships, particularly with the added but important COVID-safe protocols that this event must adhere to.

A special thank you also to the many volunteers for all their hard work in the lead-up to these championships and throughout. Our sport is indebted to the dedication and passion of those who contribute so much to the sport in a voluntary capacity, and we cannot thank you enough.

We also congratulate all athletes and appointed coaching staff on being selected to represent your respective state or territory, and we hope you return home with many wonderful memories from this experience.

After almost two years since these championships were previously contested, may I say "good luck" to all players, coaches, referees, officials and support staff during this year's Australian Under-18 Championships.

## Acknowledgement of Country

Basketball Australia recognises Aboriginal and Torres Strait Islander peoples as the First Custodians of the lands on which Australia was founded. We acknowledge the Wathaurung, Woiwurrung and Boonwurrung peoples of the Kulin Nation as the Traditional Owners of the lands on which this event takes place.

**CRAIG ARMSTEAD**  
GENERAL MANAGER  
Wyndham Basketball  
Association

It is with great pleasure and excitement that I officially welcome all participating players, coaches, team managers, officials, parents, and spectators to Wyndham for the 2021 Australian Under-18 Championships.

The Wyndham Basketball Association is delighted that we have been provided with the chance to engage with our local community, showcase fantastic talent, and grow basketball participation in Melbourne's West. We thank Basketball Australia for giving us this opportunity.

Staging an event like this requires support from many people and organisations. To our Executive Committee members, staff and our many volunteers thanks for all your assistance in the preparation and management of the event.

The Wyndham Basketball Association would also like to specifically thank for their support, Wyndham City Council and in particular Cr Peter Maynard, the Federal government and local member Joanne Ryan MP, and the Victorian state government and our local member Tim Pallas MP.

Eagle stadium managers, Wyn Active, and Victoria University have also been very important and valuable with their contribution to the event, as have our partners: Quest Werribee, myPhysio, Impact Sports Promotions, Sports in Focus and Cable Blu.

To the teams, I wish all participants an enjoyable and injury free week, and hope that everyone comes away from Wyndham with fantastic on and off court memories. In addition to amazing basketball, I hope everybody gets the opportunity to experience the City of Wyndham and enjoy the local foods, entertainment, and hospitality.

Once again, welcome to this wonderful event. I look forward to meeting many people and enjoying what is sure to be a big week for our Basketball Association and the sport we all love.

# MERV EMMS

## TROPHY HONOURS

As a revered and respected coach known also for his outstanding work as an official, administrator and lifelong volunteer of basketball, Merv Emms' name is deservedly etched upon the Australian Under-18 Men's Championship trophy.

Emms' role as a technical official took him to the 1956 Melbourne Olympic Games and he was a major contributor in the design of the Alexandria Basketball Stadium in 1967.

As a coach, he led teams to an astonishing seven national junior titles, including the first ever Australian Under-18 Championship in 1954.

His involvement in NSW Country basketball and throughout the Oceania region made him a much-respected figure and saw Emms named

as a Member of Honour of Oceania Basketball.

In November 2000, prior to his passing, Emms was honoured with the presentation of Life Membership of Basketball NSW and a Government Sports Medal for his contribution to the sport. Emms was an Australian basketball pioneer, paving the way for many of Australia's most promising young basketballers and for the sport itself.

**2019 Winner – Victoria Metro**

# MAREE JACKSON

## TROPHY HONOURS

**When the victorious women's team at the Australian Under-18 Junior Championships accepts the trophy, they will do so in honour of a pioneer of Australian basketball in Maree Jackson.**

Winning two Under-18 Championships in 1971 and 1972, Jackson's performances helped her earned a scholarship at Louisiana State. Accepting the offer, she became the first Australian female basketballer to head to a US college, paving the way for future generations.

Jackson went on to become one of the most revered female Australian basketballers on the international hardwood, combining an imposing presence in the paint and an unrelenting determination to win with a soft touch around the basket.

She played 30 games for the Opals between 1975-1979 including two

World Championships and three Oceania Championships, helping Australia to qualify for the 1980 Olympics.

She was a member of the ground-breaking 1979 Opals outfit that finished fourth at the World Championships which was the best finish for any Australian senior national team to that point.

Jackson continued to contribute to the game in retirement as the mother of Australian superstar Lauren Jackson and in 2006, her achievements were honoured with induction into the Australian Basketball Hall of Fame.

# LUC LONGLEY

## FAIR PLAY AWARD

**First presented in 2004 at the Under 14's National Championships, Fair Play Awards recognise teams that display outstanding sportsmanship – with the inaugural awards named after Australian Olympians Andrew Gaze and Jenny Cheesman.**

Since 2013, the Fair Play Award at the Under 18 Australian Junior Championships has been named after Australian basketball legend Luc Longley.

Longley – a household name across the globe – was the first Australian to play in the NBA, winning three titles with the Chicago Bulls alongside Michael Jordan, Scottie Pippen, Toni Kukoc and Dennis Rodman.

Longley was inducted into the Australian Basketball Hall of Fame in 2006, followed by the Sport Australia Hall of Fame in 2009. He played for Australia as a junior in 1987 and was on the first WA team to win an U17 Australian Junior Championship.

Longley attended the AIS and then went to college in the USA before being drafted into the NBA where he won Championships with the Bulls in 1996, 1997 and 1998.

Longley represented Australia at the 1988 Olympics as a 17 year old; and then again at the 1992 and 2000 Olympics and two World Championships.

## PARENTS/FAMILIES US COLLEGE FREE INFO SESSION

**Tuesday 13th April  
9am-10am**

Werribee Functions and Events Centre,  
Birdcage room

2-10 Bulban Rd, Werribee (next to stadium)

**The Wyndham Basketball Association strives to be the basketball association of choice in Melbourne's west. And as we build our emerging competitions and programs, hosting the U18 Australian Junior Championships and Kevin Coombs Cup is a highpoint for our association and its members.**

We are a proud association with almost 50 years of history. A junior domestic competition for the area was followed by a seniors, then later, a representative program. In 2019, the Werribee Basketball Association became the Wyndham Basketball Association, to better reflect our vast and growing local region and membership.

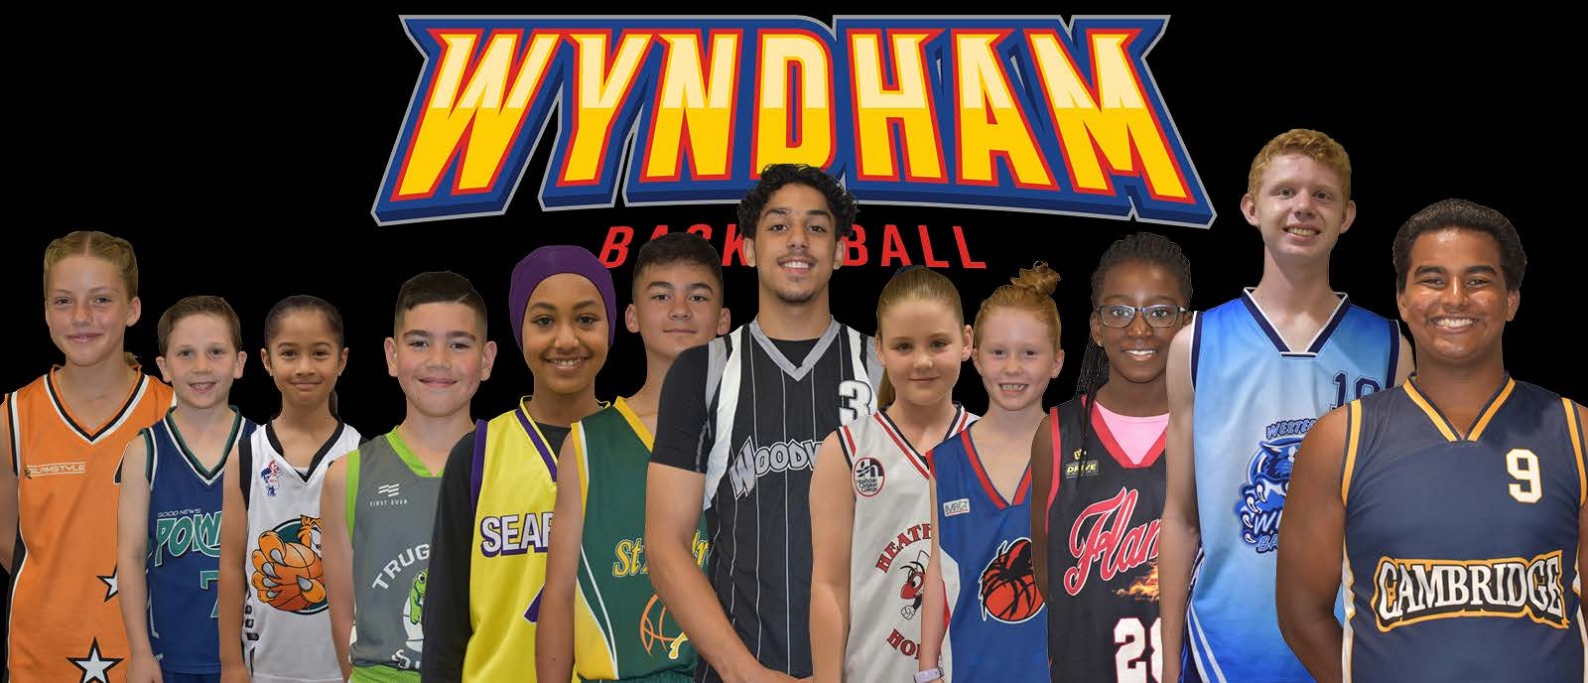

Throughout the years we have seen amazing players come through the WBA, including modern-day stars Dante Exum and Maddie Rocci. Rocci played in our junior domestic competition and all of her junior representative basketball here at Wyndham and as one of the most exciting young female talents in the country, we're proud to see her go from strength to strength in the professional ranks.

Today, the Wyndham Basketball Association has a thriving junior competition with 12 independent junior clubs and more than 3200 junior basketballers playing every week. We also have one of the country's biggest Aussie Hoops programs, with an average of more than 200 participants in the year prior to the Covid-affected 2020. When almost 250 registered for Term 1 in 2021, we knew the program would be back better than ever.

Our senior domestic competition, including our Premier Men and Premier Women competitions boasts more than 1100 players, all playing for the love of the game, to keep fit and active and to have fun with mates.

The strength of our beginner programs and domestic competitions has fed into our representative programs, where we have 32 teams competition in the VJBL and 4 Big V teams. Both of our senior Men and Women are playing in the Championship Division of the Big V and will be hoping for successful seasons in 2021.

To help officiate all this basketball, our TOC Wyndham branch has reached record numbers and continues to grow. We have a proud history of producing high-quality officials with current WNBL referee Jason Kelly and current NBL scoretable official Tate Wheatland both from the WBA.
